S. 1784 (109th) was a bill in the United States Congress. ⓘ

A bill must be passed by both the House and Senate in identical form and then be signed by the President to become law.

This bill was introduced in the 109th Congress, which met from Jan 4, 2005 to Dec 9, 2006. Legislation not enacted by the end of a Congress is cleared from the books.

Where is this information from?

GovTrack automatically collects legislative information from a variety of governmental and non-governmental sources. This page is sourced primarily from Congress.gov (https://congress.gov/bill/109-congress/senate-bill/1784), the official portal of the United States Congress. Congress.gov is generally updated one day after events occur, and so legislative activity shown here may be one day behind. Data via the congress project (https://github.com/unitedstates/congress).
