10. **Wake-and-Bake** 

The act of waking up of a morning and partaking of the chronic by means of a bong without leaving the comfort of one's bed. Made possible by possession of a serving wench/lad to present baking instruments and narcotics on a silver tray or, falling this convenience, the forethought to leave apparatus within reach of the squalid heap where one collapsed in a munted stupor the previous evening.

"Martibald, I believe I shall Wake-and-Bake this good morning"
"Exemplary idea, Federico. By the by, why are we in bed together?"
