

Financial Information

The Milwaukee Rescue Mission's budget is completely donor funded. (We receive no government funding, except for the families at Cross Trainers Academy who participate in the Milwaukee Parental Choice Program.) We are eternally grateful for the individuals, businesses, churches and foundations that make it possible for MRM to serve thousands of homeless men, women and children each year.

Eighty-five percent of your donations go directly to our programming and services; another 6 percent goes to administration, and 9 percent to development. We are serious about demonstrating our stewardship, and we invite you to learn more by clicking on our Financial Snapshots and Annual Reports below.
