PACER Case Locator

The PACER Case Locator is a national index for U.S. District, Bankruptcy, and Appellate courts. A small subset of information from each case is transferred to the PACER Case Locator server each night. The system serves as a locator index for PACER. You may conduct nationwide searches to determine whether or not a party is involved in federal litigation. [Search Now](#)

Who can access PACER?

PACER is available to anyone who registers for an account.

The nearly one million PACER users include attorneys, pro se filers, government agencies, trustees, data collectors, researchers, educational and financial institutions, commercial enterprises, the media, and the general public.

How do I access PACER?

Digital Audio Recordings

Digital audio recordings are now available to the public via internet access to the PACER system. In March 2010, the Judicial Conference approved the plan to make digital audio recordings available on PACER after a two-year pilot project...
