Some compound words (like *bus rapid transit*, *dog whistle*, or *identity theft*) don't appear on the drop-down list when you enter them into the search window. If a compound term doesn't appear in the drop-down list, try entering the term into the search window and then hit the search button (instead of the "enter" key). Alternatively, begin searches for compound terms with a quotation mark.

THE USAGE PANEL

The Usage Panel is a group of nearly 200 prominent scholars, creative writers, journalists, diplomats, and others in occupations requiring mastery of language. The Panelists are surveyed annually to gauge the acceptability of particular usages and grammatical constructions.
