I. PURPOSE:

This policy establishes the rules of conduct for adult offenders committed to the Department of Correction and the procedures to be followed by staff and offenders when offenders violate these rules of conduct.

The Department shall develop procedures to govern the behavior of adult offenders and for the imposition of sanctions when these procedures are violated. These procedures shall encourage self-discipline and self-control and shall assist in preparing the offender for re-entry into the community. Additionally, these procedures serve as a means for the Department to manage offenders in a just and fair manner to ensure the safety and security of the facilities, staff, offenders and the public.

The disciplinary procedures shall be presented in a clear and understandable manner. The Department shall assist offenders to understand the rights and provisions of the disciplinary process. The Department shall provide any offender who may have literacy or language barriers the opportunity to have these procedures explained to them and copies of these disciplinary procedures may be made available to the offender in his/her native language if the offender is not able to understand English.

 - b. The Facility Head shall submit the names of the staff persons appointed to serve as Disciplinary Review Officers to the Appeal Review Officer.
2. The reporting staff person's immediate supervisor shall submit State Form 39590, REPORT OF CONDUCT, to the Disciplinary Review Officer in sufficient time (preferably within 24 hours from the date of the incident) to allow the Disciplinary Review Officer to meet with the offender and schedule a hearing within seven (7) working days from the date of the incident or from the date that the staff person first became aware of the alleged violation or after the completion of an investigation by the Internal Affairs.

Corrections or changes are to be initialed by the staff person making the changes or corrections. The Disciplinary Review Officer may return the REPORT OF CONDUCT to the reporting staff person's immediate Supervisor with an explanation for the return and a determination as to resubmission.

- i. The Hearing Officer may excuse him/herself from hearing a particular case if the Hearing Officer believes that there is any reason why he/she cannot give the offender a fair and impartial hearing. The fact that the Hearing Officer has heard other cases involving the same offender is not justification for the Hearing Officer to be considered unable to be fair and impartial. Any change in the charged offense must have a clear and reasonable relation to the original offense.

² Offenders found guilty of certain egregious Class A offenses (Codes 100, 102, 103, 106, 108, 117) shall be subject to sanctions of a two (2) step demotion in Credit Class with justification by the Hearing Officer.

³Offender found guilty of the egregious offenses mentioned above shall be subject to a loss of up to 12 months of Earned Credit Time with justification from the Hearing Officer.

⁴The Facility Head or designee may authorize the offender to leave his/her living quarters during the hours of confinement for attendance at religious services, medical appointments, showers and visits. The Facility Head or designee may remove any or all electronic equipment (e.g., radios and televisions) from the offender’s living quarters if room/cell confinement is ordered.

⁵During the hours of confinement, the offender may only leave the building with specific authorization. The Facility Head or designee may authorize the offender to leave the building for attendance at religious services, medical appointments and visits.

⁶Offenders may be suspended from work without pay as a Class A, B or C sanction. If the offender is suspended from a work assignment as a disciplinary sanction, the offender shall not be terminated from their work assignment as a result of the suspension unless the offender’s conviction makes him/her ineligible for a work assignment in accordance with Department or facility procedures. Offenders may be terminated from a work assignment based upon the safety and security of the facility and the likelihood that continuing the offender in a work assignment eligible classification will result in further disciplinary actions. Offenders may remain job eligible after a finding of guilt for a Class A or Class B offense, but may be required to change work assignments based upon the safety and security of the facility. Following a suspension from work, the offender shall be returned to the same or an equivalent work assignment as soon as possible.

⁷Offenders who have been committed to the Department as a “Credit Restricted Felon” shall be assigned to Credit Class IV. “Credit Restricted Felons” may only be dropped to Credit Class III. These offenders can only be assigned to Credit Class IV or Credit Class III. If an offender who is a “Credit Restricted Felon” is found guilty and given a sanction involving a demotion to Credit Class III or a loss of earned credit time, the Division of Classification in Central Office is to be notified immediately. Also, if a “Credit Restricted Felon” is promoted from Credit Class III to Credit Class IV or has lost earned credit time restored, the Division of Classification shall be notified immediately. Only staff of the Division of Classification in Central Office shall calculate time for “Credit Restricted Felons.”

In such cases, the effective date of the imposition of the lost earned credit time or demotion in Time Earning Class shall be the date of the disciplinary hearing. An offender may submit an appeal in accordance with these administrative procedures.

- h. When sanctions involving loss of privileges are imposed, the facility shall ensure that the offender is provided at least minimal access to the privilege. - i. Deprived earned credit time shall not be restored to an offender if by restoring the deprived earned credit time, the offender's projected release date would be in fewer than 45 days from the date the time was restored.
 - (1) In such a case, the designated staff person may restore only that portion of the earned credit time that will allow the offender to remain in the facility for at least 45 days from the date of restoration.
 - (2) The 45 days shall allow the facility to ensure that release plans and all appropriate notifications (e.g., victim/witness, community transition program, etc.) are completed.

- j. Time deprived a Department offender housed in a county jail may be restored when the offender is transferred to the Department.
 - (1) Earned credit time deprived by a county sheriff or by order of a court shall be restored in the same manner as time deprived while in a Department facility.
 - (2) When the offender is received at a Department intake unit, staff shall review the offender's record to determine whether earned credit time has been deprived.
 - (3) If earned credit time has been deprived and the offender appears to be eligible for restoration, staff at the intake unit shall advise the offender that he/she may submit a petition for restoration of time.

- k. The decision of the Facility Head’s designated staff person shall be final. There is no appeal from the denial of the request for the restoration of earned credit time. Since the calculation of the earned credit time eligible for restoration is completed automatically by OIS an offender may not appeal the amount of earned credit time restored.
- l. If an offender is transferred to another facility while a petition is under review, the facility holding the offender when the petition was submitted shall complete the review and forward the results to the holding facility. The holding facility shall ensure that the offender is notified of the final decision and that the petition for restoration of earned credit time is filed in the offender’s packet and any restoration is recorded in OIS.
- m. The Unit Team shall review the offender’s Conduct history to determine whether the offender has been deprived of any earned credit time due to disciplinary action.
 - (1) If the offender has been deprived of earned credit time, the Unit Team shall determine whether the offender has had any of the deprived credit time restored.
 - (2) If the offender has had earned credit time deprived, but none has been restored, the Unit Team shall determine whether the offender is eligible to submit a petition for the restoration of earned credit time and, if so, instruct the offender on how to submit such a petition.

 - (5) If approved by the Facility Head or designee, the offender shall be awarded up to an additional 15% of the earned credit time that had been deprived.
Unit Team staff shall award the additional 15% of

(NOTE: This additional 15% shall be taken from the 25% of the deprived earned credit time that is not restorable under the above procedures.)

(6) The maximum amount of earned credit time that can be restored through the routine petition for restoration of time and the recommendation for the restoration of additional earned credit time shall be 90% of the total amount of earned credit time that has been deprived from the offender.

n. Offenders who are not eligible for the restoration of earned credit time in accordance with Procedure 9 c (4) may be considered for the restoration of earned credit time for significant progress toward the completion of the offender's Case Management Plan. In such cases, the maximum amount of time that can be restored to the offender is 25% of the total amount of credit time deprived. In these cases, the offender must have maintained clear conduct (no findings of guilt for a Class A or B violation) for one (1) year and must not be in disciplinary segregation at the time that the recommendation is made by the Unit Team.

o. No offender shall receive a restoration of earned credit time if the restoration results in placing the offender within forty-five (45) days of his/her EPRD, regardless of type of conviction.
