This video demonstrates the Heartfelt Creations® technique of lining up the stamps with our dies. You will learn how to create a template to line up a single stamp, how to line up and cut out 12 flowers at once and lining up the stamps with dies that have cut lines on the edges. These techniques will have you die-

Hi Emma Lou!
I found the same necklace at Beall's in Florida!! I also got one in all white! So pretty (and works with all my polka dot clothes!) It's a "Bay Studio" label.
Now I can look pretty (like you) when I am working with all my Heartfelt "toys"!

Hi Emma Lou
I always have issues lining up my classic leaf dies with the stamped image. I have tried this method shown here and still battle. What am I doing wrong? Please help as I absolutely love my heartfelt stamp and die sets, using them to most!! Thank you for such

This was an awesome video! Thank you so much! I ALWAYS seem to have problems lining up my dies and stamped images so THIS is going to be a real saver for me! Thanks!

Reply •

Sherlock Hoka 5 years ago

Wonderful tips as always. Now I realized its because the cut lines are in the middle of a die that you have to make a mask for lining up. Cool.
