McDermott Will & Emery is a premier international law firm with a diversified business practice. Numbering more than 1,000 lawyers, we have offices in Boston, Brussels, Chicago, Düsseldorf, Houston, London, Los Angeles, Miami, Milan, Munich, New York, Orange County, Rome, Silicon Valley and Washington, D.C. Extending our reach to Asia, we have a strategic alliance with MWE China Law Offices in Shanghai.

McDermott has over 75 years of serving a broad range of client interests. Established in 1934 as a tax practice in Chicago, Illinois, McDermott has grown its core practices and offices around the globe. The expansion of our international platform has supported numerous cross-border transactions and litigation matters, while providing the experience necessary to offer corporate and commercial, international and domestic tax, labor and benefits, competition, intellectual property and regulatory counsel to clients across all industries. In the years to come, we will continue to expand geographically and enhance our existing practices and industry-focused strengths. We are committed to building from these strengths in order to best serve our clients and communities.

We understand the issues faced by corporate decision makers because many of our lawyers have held key government and in-house positions. We understand how economic, social and political issues affect operations because our lawyers have navigated the complex business and regulatory environment themselves. Outstanding client service is a cornerstone of our practice that has withstood the test of geography, economy and time. We are proud of the recognition we have received from our clients for our commitment to service, and we value their satisfaction as the best measure of our success.
