

Hispanics for School Choice

HFSC was formed because education is the single most unifying issue of the various Hispanic communities in Wisconsin. Hispanics overwhelmingly support School Choice in all its forms, Choice, Charter and Virtual. Wisconsin and specifically the city of Milwaukee have been national leaders in school reform over the past 20 years. Created in 1990, the Milwaukee Parental Choice Program (MPCP) is the nation's largest and oldest school voucher program for low-income families; this initiative has included many children in the Hispanic community. Both the Choice and Charter Programs of Milwaukee have proved to be a huge success and this success is

something that we would like to see continued and even expanded upon, both inside and outside the city of Milwaukee.

Mission Statement

Hispanics for School Choice exists to represent and inform the Hispanic Communities of Wisconsin on the issue of School Choice and to advocate for the removal of any restrictions on the parental right to choose.

HFSC was set up as a grassroots organization for the purposes of informing and representing the Hispanic Communities of Wisconsin on the issues of School Choice.

HFSC is not just an organization for those with Hispanic heritage but open to anyone who would like to advocate for educational options on behalf of the children and parents of Wisconsin. We have proudly partnered with both School Choice Wisconsin and the American Federation of Children in an effort to unify the various issues of School Choice and to include everyone.
