Facility Information

Stateville Correctional Center's mission is to encourage and promote a climate of safe and secure conditions in which offenders and staff can develop positive attitudes and encourage work and program opportunities and experiences that guide offenders toward reintegration into the community.

The facility sits on a total of 2,264 acres of land with a 33-foot wall with guard towers surrounding it. This adult male maximum security facility consists of a 32-bed infirmary in the health care unit and three living units that house general population, segregation, protective custody and temporary writ inmates. The Northern Reception and Classification Center (NRC) functions as the major adult male intake and processing unit for the entire state. The NRC contains 1,800 beds in 24 housing units. Within the NRC is also the minimum-security unit, which can house up to 384 offenders in two units.
