WELCOME to the Wisconsin Supreme Court and Court of Appeals Case Access system for the Internet.

Please read this agreement prior to using WSCCA:

Please indicate that you have read the above and agree to the use of WSCCA subject to the above terms, and understand the limitations of the WSCCA database.

Accuracy: The official recordkeeper for the appellate courts is the Clerk of the Supreme Court and Court of Appeals. The information displayed on the WSCCA website is an exact copy of case information entered into the case management system by court staff. If you believe data displayed on this website is incorrect, you may contact the Clerk of the Supreme Court and Court of Appeals.

Briefs: Electronically filed (eFiled) briefs are available for filings made on or after July 1, 2009. Non-eFiled briefs from cases decided on or after July 2009 (318 Wis.2d – forward) are also available and scanned briefs will continue to be added over time.

Briefs that are not currently available can be requested through the Wisconsin State Law Library's [document order service](#) or from the [Clerk's Office](#). Appendices, petitions for review and briefs from confidential case types are not available on WSCCA but can be requested.

Older briefs are available on the [University of Wisconsin's briefs database](#) for published and unpublished case decisions appearing in 173 Wis. 2d (November 1992) through 317 Wis. 2d (June 2009).
