Why Choose Mayo Clinic?

More experience

Every year, more than a million people come to Mayo Clinic for care. Our highly specialized experts are deeply experienced in treating rare and complex conditions.

The right answers

Getting effective treatment depends on identifying the right problem. In a recent study, 88 percent of patients who came to Mayo Clinic for a second opinion received a new or refined diagnosis.

Seamless care

At Mayo Clinic, every aspect of your care is coordinated and teams of experts work together to provide exactly the care you need. What might take months elsewhere can often be done in days here.

Unparalleled expertise

Mayo Clinic experts are some of the best in the world. In the U.S. News & World Report rankings of top hospitals, Mayo Clinic is consistently ranked among the top hospitals in the nation.
